Proposal: Migration of Web Site to .GOV Domain: Comparison

Current Situation

- Domain: eardisleygrouppc.org
- Linked Email Account & Email Address (1 user, Clerk)
- Clerk manages 2 email accounts
- Councillors do not comply with GDPR, e.g. shared & work email addresses
- Limited storage (2GB) following take-over of supplier; charge being introduced imminently

.Gov

- Domain: eardisleypc.gov.uk
- All public sector organisations are entitled to use .gov
- Linked Email Account & 15 free email .gov addresses to include councillors
- Clerk would merge to one email account for web site & day to day improving efficiency & ease of use
- Storage up to 10 GB free of charge
